Just for you

To whom it may concern

Dear Sirs,

I would be pleased and happy if you could pass on my many, many thanks to the people who transformed the fields next the ruins of St Fitticks Church-yard. The area is now absolutely beautiful, the new wooden bridge, flowers, wet land area look wonderful.

What a difference, it is now a great joy to walk in the area.

Thank you all for your hard work etc.

Good Luck + Best Wishes for the future.

Sincerely,

Linda Stephen (Miss)
